Appoint a District Sub-committee Chair to recruit Rotary Peace Fellows. Each year up to 100 Rotary Peace Fellows are chosen to participate in a master's degree or certificate program at one of Rotary's partner universities. Rotarians are vital to recruiting qualified candidates. The Rotary Peace Fellows Sub-committee Chair position is supported by RI through the Rotary Foundation Committee, and training is offered through the regional Rotary Foundation seminar conducted by your regional Rotary Foundation coordinator.

Learn how districts are creating Peacebuilder Clubs to deepen their involvement in the Peace Area of Focus – see second page of this flier for more details.
